WHAT

Rustic spiritual retreat for rising 6th-12th graders

This is a 3-session contemplative retreat for youth.

The goal is to **explore and engage images of spiritual growth from Jesus' parables.**

How do we grow in our relationship with God?

The parables of Jesus will come to life in a new way over the course of the retreat.

Students will be tent camping, exploring creeks, bonfire singing in between devotionals.

And of course, there will be games and shenanigans and s'mores along the way.
